If The Academy of Future Leaders calls your primary number to request updated information or to offer you a spot and The Academy of Future Leaders does not receive a call back within 24 hours, your form will be removed from the list.

Would you be willing to pay in advance if a spot became available? _____

Important: Please Read and Sign

I have read and I understand the following:

This form and **non-refundable fee of \$50** will secure a place for my child on the waiting list. There is no guarantee for enrollment at any certain time.

Your Waiting List form must be renewed every two years. Forms more than two years will be removed from the list.

It is the responsibility of the parent to advise The Academy of Future Leaders of any changes in phone numbers, sibling status, or other information.

If a spot becomes available, The Academy of Future Leaders will call the primary phone number. If a parent cannot be reached, The Academy of Future Leaders will leave a message and the parent has 24 hours to contact.

If the primary phone number is not working, The Academy of Future Leaders will then call the other numbers on the form.

If an available opening is refused, regardless of the reason, I understand that I will not be called again within one year if a waiting list still exists for my child's age group.

Your child's place on the waiting list may change due to a few variables such as gender balancing, age balancing and priority admission.

The Academy of Future Leaders reserve the right to change priority admittance criteria at any time.

The Academy of Future Leaders does not discriminate based on age, race, religion, or creed. Families of all cultures and faith traditions are welcome with us.

Due to time constraints, please limit calls to request status updates to once per quarter.
